**THERE'S JUST NO PLACE LIKE HOME!** Bonny, the pup that wandered into the Herald office last week, is back home again and mighty glad to be there from his expression. His master, two month old Daryl, didn't have much to say but he was quite happy to give the pup, also two months old, a place on his mother's lap and the two snuggled up like old buddies. Daryl is the son of Mr. and Mrs. John McGifford.

## Vancouver City Police Stymied By Crime Wave

VANCOUVER, (BUP) — Harrassed police admitted today they had no new leads and no suspects following seven of the most crime-infested days in the city's history.

Four bank hold-ups last week were followed by the \$250 armed robbery of a furniture store proprietor Saturday night.

Police said a description of the man was similar to Robert Bates 26, who broke out of the B.C. Penitentiary recently.

Three men were placed in a police line-up Sunday in connection with Friday's \$7,500 Vancouver bank robbery and although witnesses identified one of the men, he had to be freed when he produced an air-tight alibi.

## POPE SHOWS IMPROVEMENT OVER WEEKEND

VATICAN CITY, (BUP) — Pope Plus was reported today to have made a very slight improvement in his battle for recovery from his illness. An official announcement said the Pope's voice was "feeble" last night in his broadcast to beatification ceremonies at St. Peter's.

The Vatican called for renewed prayers. The 78-year-old spiritual leader of the world's 425,000,000 Roman Catholics is in grave condition. For more than four hours after he suffered the heart attack Thursday there were fears at the highest Vatican level that he would not last through the night.

Crowds of the faithful gathered in St. Peter's Square to kneel in prayer for the Pontiff's recovery and Clementine Cardinal Micara, the Vicar of Rome, issued a call to prayer for Catholics.

Two can live as cheaply as one if you are talking about the parents of a teen-age daughter.

### SOCIALISTS

BERLIN — (BUP) — The socialist party, which opposes Chancellor Konrad Adenauer's Christian Democrat government, won control of the West Berlin Parliament in civic elections Sunday. The Socialists won 64 of the parliament's 127 seats, giving them a one-vote majority. However, Socialist leaders announced they would form a coalition with the Christian Democrats to run the city government.

## Advantage Of Referendum Over By-Law Is Explained

Explaining advantages in using the referendum method, officials of Penticton School Board urge voters to cast a ballot on Saturday when civic elections are held.

The referendum seeks permission to borrow up to \$115,000 over a two-year period, at a rate of interest not to exceed five per cent, for the purpose of erecting an eight-room elementary school on Power street.

The site was chosen by the board, acting on recommendations of the town planning consultant engineer, as being the best available site in the overall move to de-centralize schools.

Need for more accommodation is acute, school board members point out, because of the greatly increased school population in Penticton and building has not been able to keep pace with this increase.

Regarding the referendum method, school board officials released the following statement:

The provincial government through amendments to the "School Law" now authorizes boards of school trustees to place before the taxpayers a referendum.

Continued on Page 5

## JAYCEES WILL DRIVE TO "GET OUT THE VOTE"

Members of Penticton Junior Chamber of Commerce will volunteer as drivers on election day, December 11, for the "get out the vote" campaign.

This was decided at the regular Jaycee meeting held Thursday aboard SS Sicamous.

Greater effort was asked from members in the Jaycee sale of fancy packed apples.

Reporting for the entertainment committee, Ralph Robinson told of plans for the children's Christmas party, New Year's Eve frolic and the Christmas "light up campaign".

## BOY CLINGS TO RAFT FOUR HOURS--SAVED

VANCOUVER — (BUP) — Three drownings and two traffic fatalities gave British Columbia five weekend accidental deaths.

A sea disaster off Powell River claimed the lives of three men but a 12-year-old boy survived clinging four hours to a raft.

The tug "Teashore" was cut in two by the propeller of the Italian freighter "Giovanni Amendola" and Capt. George Elliot, Grey L. Voe and George Crooks, all of Powell River, were drowned. Fred Elliott, 12, son of the captain, was found on Savary Island.

Two pedestrians were killed in Vancouver, bringing that city's traffic toll to 27 for the year. The victims were Mrs. Elizabeth Ingalls, 68, and an elderly man not yet identified.

# Stewardship Meeting Tomorrow Civic Candidates Will Also Speak

With balloting slated for Saturday, candidates for civic office are campaigning this week in an election that has so far failed to stir up any real live issues.

Only aldermanic seats are at stake in this off-year election, with the mayoralty not coming vacant until next year. Voters will elect three aldermen for two-year terms and one alderman to fill a seat for one year left vacant by resignation of Wilson Hunt.

Voters will also express themselves on a referendum being placed before the electors by the school board, seeking permission to borrow up to \$115,000 for the construction of an eight-room elementary school on Power street. Of the \$115,000, however, the city will only be asked to accept responsibility for about \$50,000.

Seeking two year seats are Alderman H. M. Geddes, A. T. Longmore, Mrs. Elsie MacCleave and F. P. McPherson.

Three candidates are in the running for the one year term, J. W. Johnson, C. G. Moore and Alderman E. A. Titchmarsh.

Members of the parks board, Les Gibbard and Alex McNicoll, and of the school board, P. F. Erant and Hugh Cleland, were returned by acclamation.

There are 4,311 citizens on the voters' list and polls will be held Saturday at Jermyn avenue auditorium from 8 a.m. to 8 p.m. Advance polls are slated, also at the auditorium, Thursday and Friday from 12 noon until 3 p.m.

Rural areas will also vote on the school referendum, Saturday, at Kaleden and Naramata elementary schools.

Residents will have an opportunity to hear the various candidates and receive a review of the city's business for the past year at the annual stewardship meeting to be held tomorrow night at the school cafeteria, commencing at 8 p.m.

The Herald, in the interests of a well-informed public, has asked candidates to make a public campaign statement. Their remarks follow:

### Ald. H. M. Geddes

During the past two years I have tried to serve you faithfully and well, and as an alderman I have tried to be straightforward and city minded in my thinking and to work harmoniously with other civic bodies and committees.

After serving my first term of office I cannot help but feel the two years' experience has given me a better insight into the problems confronting the council and in token of this experience feel I could make a more valuable contribution in the period ahead.

I am keenly interested in the growth of our city and well aware of many problems facing future councils such as domestic water main extensions, irrigation extensions, paved streets and concrete sidewalks and I would like to play a part in making some of these needs become a reality. Considerable work has already been done along these lines by present committees of council.

### Mrs. Elsie MacCleave

The margin of defeat for me in the last aldermanic race was so slight that it gave me courage to try for the honor again.

In both the major industries here, fruit growing and the tourist industry, I have now had years of experience. Aside from the foregoing, my working experience has been wide and varied, during the last war I was attached to the Naval Intelligence Section of the Canadian Postal Censorship (Ottawa) for German prisoners of war mail. Before then I was executive secretary of the British Benevolent Society of Los Angeles, Calif., and in the Vancouver General Hospital as medical social worker. These two latter positions should have given me a knowledge of health and welfare as it applies to any B.C. community.

Public Works: All of us know that this program is urgent and will absorb both our revenue and attention for years to come. Many of our city streets are no source of pride to us and will not attract desirable residents. So the emphasis must be on permanent construction. The choice of our expert advisers in this and other fields will require the wisdom of the serpent.

Tourists: The natural advantage of our tourist business

## CONCILIATION OFFICER NAMED

Word has been received here that G. A. Carmichael has been appointed conciliation officer in the dispute between Penticton Hospital Board and members of the Hospital Employees' Federal Union, local 180.

Time of the conciliation hearings has not been announced.

At a meeting between hospital and union officials last month, the union made known their request for wage increases of six cents per hour and longer vacation periods with pay.

## Official Opening Granite Club Wed.

At two o'clock Wednesday afternoon Mayor Oscar Matson will have a polished, 44-pound piece of granite down a sheet of ice in a building near the corner of Main and Carmi . . . and Penticton's spanking new curling arena will be officially opened.

On hand for the memorable occasion will be some of the top curlers in the province — from Kamloops, Vancouver, Trail, Grand Forks and many other B.C. centres. And watching the entire proceeding will be an "Open House" crowd of Penticton citizens; curlers, non-curlers and just plain curious folk.

Without a doubt the most important opening of a sports centre since the Memorial arena was built in 1951, the opening of Penticton's curling arena has attracted wide interest throughout the province. Starting at 2 p.m., the ceremonies and curling tournament will continue into the evening.

Actual ceremonies will be cut to a minimum, says chairman Maurice Flinnery. Forming the major portion of Wednesday's activities will be a gala invitational curling jamboree, involving some of B.C.'s top curlers. Apart from ushering in this new era of curling, the evening will be a social half-hour and dinner in order to hear the candidates.

A STERN GAME OF CHESS is the outward play in this scene from the Naramata Players' original production of "Money To Burn." But back of it all is a game to obtain a nice bundle of cash in this rib-tickling comedy to be staged Thursday and Saturday in Naramata. At left is the rector (Stuart Berry) matching wits with peppery Major Clifton-Brown, (Perry) Darling, author of the play).

and fruit farming, but these are not sufficient to protect against financial crisis in "off years." A steady, year round payroll is necessary for the continued progress and development of our fine city. In order to secure this, we must have light industrial developments.

It is my firm conviction that handling of tax money is an inviolable trust. Its expenditure is to produce not only equitable value, but also practical and permanent results to benefit the people of this city.

Industry, income, development and progress sum up my aims in seeking the office of alderman.

### Ald. E. A. Titchmarsh

"My decision to accept nomination for Civic office for a further term of one year was made for two reasons.

First, I am confident that I can render adequate service to the public for that term.

Second, since I hold the opinion that some continuity of policy as between a retiring and an incoming council is in the public interest, and since Alderman Wilson Hunt and Alderman Christian declined re-nomination, I felt that I had a responsibility to those who initially elected me and have supported me since.

### J. W. Johnson

Why, Oh Why, am I a candidate? Because — (1) — I have the necessary experience and time to serve the taxpayers, I am aware that funds must be provided to carry on your business. But let's not extract too much in any one year. A surplus tax is too much, unfair and contrary to the interests of the municipality.

(2) — Due to the large profit of \$198,957.25 net, made by your electrical department, last year, a cut in rates should be made. Low power and light rates would encourage new industries and provide now payroll so badly needed.

(3) — The government is providing an entirely new source of revenue. A machinery tax, this must be levied on all fixed machinery, be used solely for educational purposes, to relieve the ordinary taxpayers of some of the burden of education, which now takes 35 of the 57 mills levied. That is the government's intention and in common honesty the council should pass a little back to the taxpayer direct.

(4) — I have always supported adequate educational facilities, these have always been provided in the past, and must be provided for in the future.

The foregoing reflects the lines on which I shall work if given your support at the polls. I will co-operate with any council as I have done in the past, with the taxpayers' interests always foremost in my mind.

### F. P. McPherson

I have enjoyed citizenship in Penticton for 39 years, during which time the business of operating the city has been conducted by others on behalf of our residents.

Retirement, after 40 years service as a railway man with the CPR, has now granted me the privilege of devoting my time to other matters.

Feeling that my past experience may have fitted me to serve the city in the capacity of alderman, I have accepted nomination for that position for the ensuing two years, feeling that if a majority of our citizens favor my election I can only promise the use of common sense and diligence in their interests.

### A. T. Longmore

Making the important decision of running for aldermanic honors in Penticton was not easy, but, having been a property owner and businessman here for many years, I felt it my duty to offer my services.

By so doing I have expressed a willingness, if elected, to spend the necessary time and effort for the next two years helping in the administration of your city business.

Municipal business today is big business and many problems must be solved. This in itself presents a challenge. However, before I moved here from Ontario, I spent ten years in municipal, private appraisal, and arbitration work, which should prove helpful.

### C. G. Moore

It is my sincere desire to serve the people of Penticton in the capacity of alderman. My platform is twofold: (1) the encouragement of industries with a year-round payroll, and (2) a "dollar-for-dollar" value for the taxpayers.

Industry is necessary for steady income. It is true that we have our tourist business

## Capacity Crowd Attends St. Ann's Annual Bazaar

The St. Ann's Roman Catholic Church annual bazaar and tea on Thursday in the Canadian Legion Hall attracted a capacity crowd from the time of the official opening at 2 p.m. until the last patron and the many tired, but gratified workers, left the hall at midnight. The major annual fund raising project in which all groups within the parish participated, was convened by Mrs. P. S. Moen.

Decorated booths containing a wide and varied selection of lovely merchandise were arranged in the large auditorium of the Legion Hall while afternoon tea was served to many in the Alexander Room artistically decked with the greenery and color of the Yuletide. Activities during evening hours at the bazaar were under the supervision of members from the men's organization of St. Ann's.

Attractive prizes including turkey and hams were given to the many at the evening bingo games and the "Paddle Wheel". Refreshments were also served by the men.

The Christmas atmosphere in the afternoon tea centre was created with a delightful arrangement of glittering angels, Oregon grape, stars and graceful tapers ornamenting the several small tea tables and the large central one beautifully appointed in silver. A gold star of Bethlehem softly illuminated by concealed lighting, three golden winged angels, a miniature and the tapers graced the large table while the angels on the smaller tables were of brought silver and centred a silver star. Presiding during the tea hours were Mrs. Wilfred Gougeon, Mrs. Edith Dunham, Mrs. G. J. Rowland, Mrs. Fred J. Netherton, Mrs. Hugo Emanuele and Mrs. J. M. McKay.

Co-convening the tea room decorations and other details were Mrs. Louis Delacherois and Mrs. Frank Hartigan. Mrs. C. T. Mangin was in charge of the kitchen.

Among those holding winning tickets when the draws were made for the several raffle prizes were: Mrs. Irvin, 690 Winnipeg street, crocheted table cover; J. G. Porteous, 537 Municipal avenue, cake; Mrs. L. Joyce, 454 Westminster, doll; Miss Margaret McAstocker, candy; F. Hill, phone 5522, quilted bedspread; Mrs. R. L. Ferguson, 727 Winnipeg street, cedar chest; W. McAllister, collection of bedding; Mrs. Augusta Bonhoux, Trout Creek, Summerland, mixer; G. Sheehan, 602 Young street, steam iron; Mrs. H. Wheeler, 225 Scott, electric razor, and the door prize at the tea went to Mrs. Ralph Robinson.

## 600 United Church Sunday School Kiddies To Observe Christmas

Seasonal activities within the Penticton United Church Sunday School include arrangements for the observance of Christmas by the more than 600 children who attend the various classes.

The annual "White Gift" service will be held on Sunday morning, December 12, and approximately 200 little tots will participate in this "gift-giving" ceremony to be held during the worship period. White gifts from all the other children, collected at their various gatherings prior to the Sunday service, will also be presented at that time.

Monday, December 13, has been selected as the time for the special gatherings by the primary and junior Sunday School classes, the former during the afternoon and the juniors at an evening function. The nursery and kindergarten kiddies will observe Christmas on Sunday, December 19, at their regular classes.

## Shower At Summerland Honors Bride-Elect Miss Elizabeth Morgan

SUMMERLAND — Miss Elizabeth Morgan was guest of honor at a surprise bridal shower on Monday evening, November 29, when Mrs. A. D. Glen, Mrs. J. Van Cameron and Mrs. Donald Orr were co-hostesses at the home of Mrs. Glen.

The rooms were decorated with chrysanthemums and roses, and a coffee table was centred with a heart-shaped bride's cake. The gifts were presented in a pink and blue "Honey-moon Express". Guests enjoyed a contest with Mrs. J. Brown winning first, Mrs. J. Morrow second, and Miss Mary Wolfer, consolation prize.

There was an amusing reading entitled "Men", by Mrs. Orr. Delicious refreshments were served by the hostesses at the conclusion of the happy occasion. Others present were Mrs. C. R. Morgan, mother of the bride-elect, Mrs. F. Plunkett, her grandmother, Mrs. D. F. Turnbull, Mrs. F. Morrow, Mrs. J. Morrow, Mrs. G. A. Fisher, Mrs. A. W. Arnold, Mrs. J. Brown, Mrs. F. Peter, Mrs. R. Spelsburg, Mrs. F. Dickenson, Mrs. J. Young, Mrs. C. E. Piers, Mrs. P. Petersen and Miss Mary Wolfer. Others unable to be present who sent gifts were Mrs. A. R. Morgan, Mrs. Douglas Wakefield, Mrs. G. Gardner and Miss Pat Morrow.

## Turkeys, Hams Prizes For Whist Players

Success in accumulating large scores at the Rebekah-Oddfellows sponsored whist party last Wednesday evening in the Oddfellows Hall won turkeys and hams for several lucky players. The party, one in the winter series being jointly held by the two lodges, was very successful with 24 tables in play.

Those receiving turkeys as first prize winners were Mrs. L. Foster and W. McAllister, while hams were given as second prizes to Mrs. H. Nelson and S. Sobchuck. The very enjoyable card party was concluded with the playing of bingo when other hams and turkeys were the prizes.

The next party in the whist series will be held on Wednesday, December 8.

Mr. and Mrs. G. E. Lang, Mr. and Mrs. G. A. Patterson and Colonel and Mrs. M. H. Wright arrived home on Wednesday after spending a few days in Spokane. When they returned they were accompanied by the former couple's son, Graeme Lang, who has just completed a course at the National School of Radio and Electronics, in Los Angeles, California.

Mrs. N. E. McCallum accompanied by her son Ronald "Rusty" McCallum arrived home on Sunday from Vancouver.

## Blue Spruce And Cedar Decorate Hall For Bazaar

NARAMATA — Christmas wreaths of blue spruce and fragrant cedar tied with bright red ribbon bows, and a huge lighted tree decked the Naramata community hall for the very successful annual bazaar and tea held last Wednesday afternoon under the joint sponsorship of the Women's Association and the Naramata United Church.

The bazaar, with its record attendance, was officially opened by Rev. Don K. Paris, pastor of the church, while the guests were welcomed at the door by Mrs. J. D. Rilly, president of the Women's Association. Many attractive articles were offered for sale throughout the afternoon; homecooking by Mrs. James Gawne and Mrs. W. R. McFarlane; aprons and fancy work by Mrs. J. A. Ganes, Mrs. Ernest Sammet, Mrs. W. H. Lawrence and Mrs. N. F. R. Wheatley; candy, Mrs. W. A. Ritchie; white elephant articles by Mrs. Morgan Wray, Miss Helen McDougall and Mrs. Vern Thomsen. The fish pond was under the supervision of Mrs. A. L. Day.

Afternoon tea was served to many at beautifully arranged small tables centred with varied kinds of Christmas decorations, miniature trees, Santas, pine cones and seasonal greenery. Decorations for the entire function were under the direction of Mrs. Day, Mrs. Rilly, Mrs. Kathleen Couston, Mrs. McFarlane and Mrs. Vern Thomsen.

The serving of tea was under the supervision of Mrs. Couston who was assisted by Mrs. Jack Buckley, Mrs. S. Stanforth and Mrs. R. A. McLaren. Kitchen details were by Mrs. W. T. Nuttall, Mrs. J. D. Tiller, Mrs. J. S. Dicken and Mrs. Thomas Dickout. Much valuable assistance was given by several men of the church; James Gawne and J. A. Ganes received the tickets at the door and working with the decorations' committee were A. L. Day and D. J. Rilly.

During the tea hour, Mrs. Gawne made a short speech and presented a card signed by all the members, and a travelling clock to Mrs. D. O. Hughes, who has been a member of the church organization for nearly 45 years and who is leaving this district to take up residence in Penticton.

Shoes should be bought, not by repeating the size number of the previous pair but by having each foot properly measured. Length and width of various sizes are not uniform with all makes or styles of shoe.

Mr. and Mrs. W. H. Whimster returned to Naramata on Monday from Trail where the former had motored last week to join Mrs. Whimster who had been visiting there for the past three weeks.

Canada's percentage of epileptics is one in every two hundred persons. With proper treatment, about 80 percent of these could be helped.

A GROUP OF NARAMATA BROWNIES gives close attention to instructions from their new "Brown Owl", Mrs. Kathleen Couston, as they assemble in the community hall for their first meeting after a year of inactivity. Enrolling day found sixteen of the young girls keenly interested in participating in the organization which will assist them in their efforts towards acquiring useful knowledge and skills. Reading left to right are Mrs. Couston, Helen Donald, Nancy Stanforth, Elaine Walsh, Shirley Partridge and Ann Clough.

BROWNIE RECRUITS gathered around "Brown Owl" are from left to right, Deanna Gawne, Marita Munro, Karen Hardman, Wendy Bowering, and Carol Kennedy. Seated are Carol Tiller and Nancy Gawne.

NO TIME WAS WASTED as the girls assembled for their first Brownie session. Their leader is instructing them in the art of knot tying, one of the first essential skills which they will be required to know to pass many Brownie tests. Left to right are Mrs. Couston, Bonnie Traynor, Georgeann Couston, Sharon Grant, Marlene Johnson.

## Sixteen Brownies, Recruits Attend Naramata Meeting

NARAMATA — Sixteen enthusiastic Brownies and recruits met with their "Brown Owl", Mrs. Kathleen Couston, on Thursday afternoon in the community hall, the first meeting as well as a re-organizational session since disbanding over a year ago when their leader at that time, Mrs. J. A. Drought, owing to home responsibilities was unable to continue with this important work for girls.

Now Mrs. Couston, assisted by Mrs. J. C. Donald as "Tawny Owl", will guide the Brownies, girls in age from 8 to 11 years, in their efforts towards acquiring useful knowledge and skills. Meetings will be held every Thursday from 3:30 to 5 p.m. beginning on December 9. The local association of Guides and Brownies was recently formed to give any assistance possible to the Brownies and their leaders.

Among several out of town guests in Penticton for the wedding on Saturday of Miss Loraine Keeler and John Mutch were Mr. and Mrs. W. K. Coulthard and Mr. and Mrs. T. I. Jackson, of Indian Head, Saskatchewan.

who no longer require their uniforms to contact Mrs. Clough. The association has also formed a car-pool, under the direction of transportation convener, Mrs. Arza Grant, to drive the Brownies home, following the weekly meetings.

Girls attending this first meeting of the Brownies were Helen Donald, Nancy Stanforth, Elaine Walsh, Shirley Partridge, Ann Clough, Nancy Gawne, Carol Tiller, Carol Kennedy, Wendy Bowering, Karen Hardman, Marita Munro, Deanna Gawne, Bonnie Traynor, Georgeann Couston, Sharon Grant and Marlene Johnson.

Among other things, the association looks after procuring badges and uniforms for the girls, and in respect to the latter is asking all former Brownies

# Penticton Herald Editorials

## The School By-Law

Whatever else may transpire in voting to be held here on Saturday, it is certainly to be hoped that one outcome will be the successful passage of the school board's request for authority to borrow up to \$115,000 for the proposed new power street school.

We think the board has made out a thoroughly good case, in explanation of the plans which are now the subject of the forthcoming referendum. And that it should not be supported to the extent of the necessary 60 percent approval, when ballots are marked in a few days, is of course unthinkable. A city like Penticton, forging ahead in so many ways, cannot contemplate — as it must at this very time — the presence of four classes in inadequate basement quarters, particularly when it is remembered that there is a growing number of even more pupils to be faced in the period immediately ahead.

If, now, a new eight-room elementary project is to be built, to meet the demands of the situation, it follows that some decentralization is certainly to be welcomed, for the youngest pupils should not be forced to go a greater distance than necessary. And here, of course, arises one of the most vexatious of the problems facing the board. Finding a completely satisfactory site, answering every aspect of everyone's opinion, is difficult enough in any city, it would appear. But in jumbled helter-skelter Penticton the problem is immense indeed and there should be more sympathy for the board, than criticism for it, when once it settles on a choice — as settle it must.

The board has taken into consideration the suggestions of town planning consult-

ants, the present distribution of school pupil population, and the trend of the future, and, so far as the Herald is concerned, the site is now a closed matter. The time for argument about the site was before this. It is now merely a matter of approving of the financing, or not.

As to the financing, no great burden to the community — as offset by the great contribution the move will make to schooling — is to be contemplated.

The attractive new school, enhancing that part of the community as it serves it, will involve some \$151,000, apart from the cost of the site which is already paid. But this is not to say that the financing of this full sum must be contemplated by Penticton taxpayers.

Under the new loan by-law methods that involve school districts, the full amount of the borrowing for the project, including the contributions to be made by the provincial government and the city and rural parts of the district, is placed before the voters. But it is well to remember that Penticton's share will come to only about \$50,000, as it will work out. For the capital funds already on hand reduce the sum to be borrowed to \$115,000 at most; then the government meets half the amount; and Penticton then contributes 87 percent, and the rural area 13 percent of the balance.

Twenty-year debenture financing of an amount of \$50,000 will add very little to local taxing. But the unshot will be a great gain in school facilities. That's the way the Herald sums it up, and it emphatically urges every voter to go to the polls and register a favorable ballot — in the interests of plain good community business.

## Destroying Cruelty

A meeting to be held in the mid-week may not bulk very sizably in the community's notice. But we commend what is planned.

There is a movement under way to organize a junior group of the SPCA and we hope there will be a good attendance, followed by a program of activity that will hold the interested attention and participation of younger people.

There is good reason for such organization, more particularly amid the junior element. Every day seems to give evidence of something or other involving cruelty to animals, directly or indirectly, and unless we want to ensure a coarser-fibred older generation in the future, it's high time to start inculcating attitudes

and principles of a different type.

For more than a century the parent organization, with roots in the Old Country, has been creating humane legislation and enforcing it. Many things we take for granted today, and which we are the better for, would not be with us had it not been for the purpose of such a group, which has spread throughout much of the world. The meeting to be held here this week is a continuing part of the educational process.

Prevention of cruelty to animals, however, is not the sole outcome of such work. The development of a better human is the even more valuable by-product.

## Long Overdue

Finance Minister Harris has been publicly reprimanded by supporters of the present government for having appeared, in his recent address before the Canadian Tax Foundation, to hold out hopes for tax relief.

Such criticism is by no means flattering to Mr. Harris. Nor is it particularly pleasing to find those who regard themselves as political 'king-makers' chastising the Minister of Finance for his failure to resort to the well-known trick of withholding hope in the tax field until budget night, or better still, until the eve of an election.

The minister of finance has as much

reason as any and more than most to be concerned about the relationship between the level of taxation and the current level of unemployment and the lag in business activity. If taxes are "severe" and Canadian products are losing their competitive advantage in domestic and export markets because taxes form too large a part of the price tag, Mr. Harris has not only the right, but the duty, to say so without bowing to the dictates of political niceties.

It is difficult to imagine that a responsible minister of the Crown would resort to a cruel hoax in a matter of such moment as the need for tax relief.

## OUT OUR WAY

THE TELLING BLOWS. Copyright 1954 by NEA Service, Inc. T. M. Reg. U. S. Pat. Off.

## NEWS FROM Victoria

By J. K. Nesbitt

VICTORIA — The letters that come to a column are indeed quite fascinating.

Here's one, and it's signed (a woman), and gives a Vancouver address, but perhaps it's better to leave that out:

"You give me a pain. You are the typical Canadian reporter all right. Canadians should be forever grateful to Major-General Pearkes for his statement on Ottawa press corps, a statement long overdue us Canadian people. He is a good Canadian and has a soul. His critics have no soul to search."

"I resent your remarks about the cost to us B.C. taxpayers of Einar Gunderson's and wife's jaunt to Europe and feel sure that for a change these dollars will be well spent, and well worth it. He is a good Canadian."

"Don't suppose there will ever be a day you'd mention the innumerable jaunts of those self-interested bunch of politicians us poor Canadians have had to endure these many years, 19 of them, thanks to the aid of reporters such as you and your ilk."

"Since the average Canadian has no more than public school education, such as it is, that includes me, and our government controlled CBC and our slanted press."

"We are indeed an ignorant, illiterate, ill-informed people and under our present set-up don't

know how we will ever rid ourselves of our Liberal captives."

"Well, anyway, I'm thankful that at long last we have here in B.C. (despite the press) a government of the people, for the people; Social Credit party and that wonderful man, their leader, Premier Bennett. He is a good Canadian and God speed the day when our government in Ottawa is comprised with men of that calibre and stature."

One might say the lady is equally enthusiastic in her likes and dislikes!

Liberals of Victoria gathered the other evening to pay tribute to the public work of Robert Wellington Mayhew.

The gathering recalled that day in 1937 when Bob Mayhew broke the hold the Conservatives had had on Victoria for many years. The Liberals never thought they'd ever again send one of their own to the House of Commons. But, much to his surprise, Bob Mayhew was elected, and again he was elected in 1940, 1945, 1949.

Mr. Mayhew gave of himself to the public welfare during all the years, and the public should be grateful to him. Modestly, quietly, he did his duty, finishing his career as Canadian Ambassador to Japan.

Now he's enjoying some retirement, in his beautiful waterfront home in Victoria.

## ★ THE DOCTOR SAYS ★ Long-Continued Cough Can Cause Serious Complications

BY EDWIN P. JORDAN, M.D.  
Written for NEA Service

Any severe long-lasting cough, no matter what the cause, may result in a serious condition of the lungs known as bronchiectasis. An irritation of the breathing tubes such as a bronchitis, a severe asthma, or even a chronic sinus infection associated with coughing may bring about this condition.

In bronchiectasis the small pockets in the lungs known as alveoli (which are normally filled with air when a person breathes) are broken down, dilated and packed with mucus, fluid, or pus. If you could see the involved areas of the lungs they would look much like a bunch of grapes.

Coughing by a person with bronchiectasis usually brings up a heavy mucus sputum, often having a foul odor. Accurate diagnosis, however, depends on special examinations, including an X-ray film. A remarkable instrument called a bronchoscope, by which the dilated pockets can be seen by the physician, may also be used.

Once bronchiectasis has developed the first step in treatment is to find out if the condition which produced the bronchiectasis is still active. If it is, appropriate treatment must be directed at the active cause.

Until recently treatment of bronchiectasis was unsatisfactory. Now, however, many good results have been reported from the use of penicillin given by injection or inhalation.

The other method of treatment which is satisfactory for many of those with bronchiectasis, especially when the condition is advanced, is surgery. The part of the lung affected with bronchiectasis can be removed by surgery pretty successfully and this has undoubtedly saved many lives. For those who are unfortunate enough to have developed an advanced type of bronchi-

ectasis, surgery still offers good hope of restoring health and preventing untimely death.

A person who has a long continued cough, regardless of what is producing it, ought to try to get at the bottom of the trouble and stop the difficulty before bronchiectasis has had a chance to become established.

Bronchiectasis interferes with health and the ability to work, and in its most serious form can even cause death. It is therefore extremely desirable to prevent it if at all possible.

## Last Rites For A. S. Morrow Of Naramata Tuesday

Funeral services will be held tomorrow for Arthur Sidney Morrow of Naramata, who passed away in Penticton Hospital November 30, age 70 years. He was born in Calcutta, India, had resided in Canada for 45 years, and in Naramata for 43 years.

He is survived by his loving wife Christina, one son, Lieutenant-Commander Ian Buchanan Morrow of the Royal Canadian Navy.

Funeral services will be held tomorrow from St. Peter's Anglican Church, Naramata. Canon A. R. Eagles officiating. Committal in the family plot, Naramata cemetery.

Penticton Funeral Chapel in charge of arrangements. R. J. Pollock and J. V. Carberry, directors.

High blood pressure is a common condition past the age of 50. Emotional tension is one of the causes; excess weight is another. Medical treatment and a prescribed diet and way of life can often help to offset its effects.

## From the Files

### 10 YEARS AGO THIS WEEK

December 28 was designated as "railroad day" when, for the first time, Osoyoos was to be linked with Haines by CPR trucks. R. J. McDougall and Roewe Robert Lyon announced their intention of contesting the reeve'ship while councillors Jack Ellis and J. W. Johnson and A. A. Swift and W. H. Adams stated they would run for council.

### 20 YEARS AGO THIS WEEK

Charles Edwin Burch was laid to rest in Lakeview Cemetery. "Too many drunks on Penticton streets" said a heading in the Herald as eight men were arrested in a short period of time for intoxication.

### 30 DAYS AGO THIS WEEK

Plans were presented for the improvement of Penticton's lake-front at a meeting of ratepayers. What little remained in B.C. of the Provincial party following the elections was torn by a revolt.

## Penticton BCD's Juvenile Puckmen Bow 7-4 To Hustling Vernon Crew

Penticton's juvenile hockey squad, the BCD's, lost their second exhibition tilt last Saturday to the visiting Vernonites 7-4 in a game that was more evenly matched than the score would indicate. Earlier this season the locals lost to Kelowna by the same score.

The BCD's played on pretty personal display of hockey. Well even terms until the last few minutes of the game, when the visitors displayed greater staying powers and pumped in three goals to the locals' one.

Penticton's Wade opened the game with a tally at the two minute mark on a pass from Armstrong. Baziw tied it up minutes later, and the score was one-all at the whistle.

Keneshanka and Palmer put the visitors two goals up early in the central period, but Castron put the locals back into the fight at 14:25 on a fine solo effort. Vernon scored again but Tooley came back through for Penticton to make it 4-3 just before the whistle to end the period.

In the last frame it was Vernon all the way, as Keneshanka and Baziw put the visiting squad ahead three goals. Keneshanka fought back for a goal at 12:25 to make the game more interesting, but Keneshanka iced the game — and concluded a fine

There were eight penalties out at this game, four to each squad, and all of them minors. Keneshanka and Baziw stood out for the Vernonites, while Castron turned in a fine game for the local team, collecting a goal and a pair of assists for the evening.

First period — 1, Penticton, Wade (Armstrong) 2:00; 2, Penticton, Baziw (Chiba) 5:05. Penalties: Gates.

Second period — 3, Vernon, Keneshanka (Jellison) 1:48; 4, Vernon, Palmer (Drage) 3:37; 5, Penticton, Castron (unass.) 14:25; 6, Vernon, Baziw (Palmer, Chiba) 15:00; 7, Penticton, Tooley (Castron) 17:28. Penalties: Tomlin, Keneshanka.

Third period — 8, Vernon, Keneshanka (Jellison) 3:37; 9, Vernon, Baziw (unass.) 7:00; 10, Penticton, Richards (Armstrong, Castron) 12:55; 11, Vernon, Keneshanka (unass.) 19:04.

## Elks' Duke, Rodzinyak Team Up To Post Season's First Shutout

KAMLOOPS — Nippy little Dave Duke sank a goal at 2:43 of the first period and Kamloops Elks made it stand up for a 1-0 win over Vernon Canadians in a scheduled OSAHL tilt here Friday. The defeat pushed Canadians back into third position while Elks now hold undisputed possession of second spot.

Boomer Rodzinyak, in registering the first shutout of the OSAHL season, was in sparkling form between the pipes and had to work overtime against a goal-hungry band of Canadians who hurled altogether 29 shots at him, many of them really hot to handle.

The game was played before one of the best midweek crowds of the season, just under 2,000. It was a tensely exciting struggle all the way with Kamloops holding a big first period ascendancy and Vernon having it practically all their own way in the second when only the bitterest of defending kept the Canadians off the score sheet.

The third period was even, with both sides straining every nerve and sinew to get on top. Elks potted the puck into an empty net twice in the final 40 seconds but both shots were disallowed.

## PBA Girls Trounce Two Kelowna Cage Squads On Weekend

Penticton Basketball Association team won two games over the weekend as they defeated the Kelowna Super Value Aces 46-16 on Friday night and came back Saturday night to defeat the other Kelowna women's squad, the Merchants, 33-23.

In the Friday evening tussle with the Kelowna Aces the locals had no opposition whatsoever as they went out in front 13-6 in the first quarter and increased it to 23-13 by the half. Their lead was 30-15 by the third quarter and at the end of the game the locals had nearly tripled the entire Kelowna scoring output.

Miriam Dennis was the high scorer in the Friday game as she potted 16 points with Doreen Fleming scoring 11 and Irene Menu 10.

On Saturday the girls came back as strong as ever and held the Kelowna Merchants down 33-23. Irene Menu and Doreen Fleming were again high scorers as they netted 15 and 10 points respectively. For Kelowna, Bev Lewis was high with 9 points.

The Penticton Vees play Kamloops Elks at Kamloops this Wednesday in a one-night stand.

# Packers Come To Life; Split With Vees

### LATEST OSAHL STANDINGS

	PL	W	L	T	PL	GF	GA
PENTICTON VEES	26	16	8	2	34	113	89
VERNON CANADIANS	25	12	12	1	25	95	90
KAMLOOPS ELKS	28	12	15	1	25	90	104
KELOWNA PACKERS	25	10	15	0	20	91	106

## Vees' 5-1 Lead Narrowed To 5-4 Win

Penticton Vees ran up a 5-1 score at the close of the second period here Friday night, with Bill Warwick collecting his fourth hat-trick of the season into the bargain, and the Allan Cup champions looked like they were well on their way to another easy victory over the luckless Kelowna Packers.

Then the roof almost fell in, mainly due to an overdose of penalties collected by the Vees in the last 20 minutes — and the Pentictonites were lucky to skate away with a tight 5-4 win over the revamped Packers.

## In losing this one the Packers Grant, Dick Protest Stick Swinging

With the exception of a small outburst of tempers and flying fists midway through the last period, Friday's tilt was a clean affair with only four minor penalties dished out by referee Neil McIntyre to that point. The third period flurry was precipitated when Amundrud swung his stick in the general direction of Dick Warwick's head, causing coach Grant Warwick to leap at the former and draw an automatic misconduct. The three men involved also drew minor trips to the sin bin. Amundrud for high-sticking and the two Warwicks for roughing.

## Bill Collects His Fourth Hat-Trick

The second frame was all Vees, as Lalonde in the visitors' net was peppered consistently. The Packers were credited with two shots on goal, but McLelland between the Vees' pipes never once had to extend himself during these 20 minutes.

Bill Warwick started and ended his spine-tingling hat-trick in this frame, clinching the great solo effort with an unassisted tally at the 14:47 mark, slapping in the rubber after it had creased off a defenseman's skate.

Bill Warwick started the second period with a goal-mouth pass from Jack MacDonald at 3:50. Jim Fairburn repeated this play minutes later, and Bill Warwick tallied number two at 12:55 when he gently tipped in the rebound of MacDonald's blast. Bill clinched his fourth hat-trick of the season two minutes later.

McIntyre (D. Warwick) 6:50; 2, Kelowna, Durban (unass.) 17:40. Penalty: McAvoy. Shots: Kelowna 7, Penticton 8.

Second Period — 3, Penticton Bill Warwick (MacDonald, Fairburn) 3:50; 4, Penticton, Fairburn (MacDonald, McIntyre) 5:33; 5, Penticton, B. Warwick (MacDonald) 12:55; 6, Penticton, B. Warwick (unass.) 14:47. Penalties: Fairburn, Conway, Shots: Kelowna 2, Penticton 12.

Third Period — 7, Kelowna, Culley (Dawes) 1:24; 8, Kelowna, Swarbrick (Hansen) 15:07; 9, Kelowna, Swarbrick (McIntyre, Booth) 19:15. Penalties: Fairburn (8:46); H. Amundrud (minor); D. Warwick (minor); G. Warwick (minor and major) 13:57. Shots: Kelowna 6, Penticton 1.

First Period — 1, Penticton,

"FIVE MINUTES TO SHOW TIME". Here are a few of the gorgeous gals featured in the all-new third annual edition of the Canadian Ice Fantasy of '55, due to appear in Penticton December 15 and 16. Touring coast to coast in Canada and the U.S.A., this five minute call will be repeated in 108 towns and cities this season. Left to right these lovely Canadian girls are: Marie Sigurdson, Kenora, Ont.; Marlene Brever, Moose Jaw, Sask.; Loraine Sillers, St. Georges, Que.; Dorothy Yackman, Sudbury, Ont.; Joan Turner, Edmonton, Alta.; Eileen McKay, Edmonton, Alta.; and Yvonne Pouchard, Kamloops, B.C.

## Omegas Cagers Short On Power, Long on Hustle; Nip Kelowna Oilers 63-62

Penticton Cranna's Omegas added another victory to their league opening win as they defeated the Kelowna B.A. Oilers 63-62 in one of the closest, hardest-fought games seen in Penticton for years. The two teams gave the pitifully small crowd a grand evening of entertainment.

These teams were never more than seven points apart in the high-tempered tussle. Kelowna was out in front 14-7 midway through the first quarter but the Omegas came back strong and by quarter time were ahead 20-17. During the third quarter, the atmosphere extremely tense and every shot meaning much, the Omegas drew back into the lead and led 46-45 at the horn. Kelowna then caught the Omegas by half-time were ahead 33-32. The locals just managed to hang on till the final whistle as they won 63-62.

Bill Raptis again was the big wheel for the local team, picking up 19 points from all three positions: guard, centre and forward. Raptis worked in the bucket at times as both of Penticton's centre-men, Earl Pearson and Ted Bowagfield, were unavailable for this key game. Ted Koley-Bennett worked hard all the way through for the Omegas as he scored 14 points. Larry Jordan was also nearly with 13 points.

Bill Martino, from Oliver and now playing for Kelowna, was the big man for the visitors as he pushed in 16 points on hooks and jump shots from close in. Bruce Butcher, who could easily be classed as the most improved player in the Okanagan since he left high school two years ago, scored 13 for the Oilers.

Frank Fritz, also of Oliver, scored 12 points for the Oilers as he sent the Penticton team wild on his long shots.

Summary: Kelowna — Roswig 2, Martino 16, Fairburn 3, Ferguson 6, Gee 4, Fritz 12, Bill Weitzel, Cristoforo, Serva 6, Butcher 13. Total — 62.

Penticton — Raptis 19, Burgett 6, Jordan 13, Ritchie 9, Koley-Bennett 14, Jones, Garnet 3. Total — 63.

BILL WARWICK gets fourth hat-trick

## Vees Nipped 4-3 In Satur'd'y Game

KELOWNA — Kelowna Packers Saturday night picked up their first victory in their last eight starts as they outskated and outscored Penticton Vees 4-3 before a large, responsive crowd of Okanagan senior hockey fans in Memorial arena.

Egged on by the Kelowna fans' new cheer, "Wrap 'em up, Packers", Kelowna held on to a one-goal lead in each period, making it 1-0, 3-2 and a jubilant 4-3 at the final bell.

Packer forward Jim Middleton was the fair-haired boy of the night, adding a goal and two assists to his record.

Middleton scored the only first-period goal on an assist by Kirk Culley from Hanson made it 2-0 for Packers early in the action-packed second stanza. McIntyre scored on a pass from MacDonald for Penticton's first goal, and seven minutes later Shabaga picked up a pass from McIntyre to tie the game. With three minutes remaining in the period Kirk made it 3-2 for Packers.

Hanson, on a three-way effort aided by Middleton and Kaiser, put Kelowna ahead 4-2 at 4:47. Bathgate, on another assist from MacDonald, rifled the puck past Packer goalie Bob Lalonde at 13:04 to end the scoring.

Vees picked up five minor penalties and a 10-minute misconduct while Kelowna was awarded four minors.

First Period — "Kelowna, Middleton (Kirk) 14:58. Penalties: Shabaga, MacDonald.

Second Period — 2, Kelowna, Culley (Hanson) 1:04; 3, Penticton, McIntyre (MacDonald) 7:05; 4, Penticton, Shabaga (McIntyre) 14:16; 5, Kelowna, Kirk (Middleton) 17:02. Penalties: Culley, Booth, McAvoy.

Third Period — 6, Kelowna, Hanson (Middleton, Kaiser) 4:47; 7, Penticton, Bathgate (MacDonald) 13:04. Penalties: Rucks, Bathgate, Kaiser, McAvoy (10 minutes misconduct).

JACK MACDONALD ... five assists on weekend

## Torrid Pen High Volleyballers Swamp Opposition

Penticton High School volleyball teams came up with both the expected and the unexpected on Saturday as the local boys and girls team took first place in a zone tournament at Princeton.

As was expected, the strong Pen HI boys' team played superb volleyball and defeated all opposition in straight games. First surprise of the day occurred when the Pen HI girls took two out of three games over Similkameen high school.

Then the girls added more laurels to this victory as they walked over the South Okanagan girls 15-3 and 15-5. In the final game Princeton defeated the local girls but they are ineligible for the competition due to the use of basketball players on their team.

Penticton's trio of male spikers tried their best to drive the opposition through the floor but many times from near the floor, the ball out from near the floor, Bill Peterson, Don Marshall and Ryan Conley made good use of the set-ups given them by cool set-up men Manfred Prouesse, Philip Paslawski, Ted Smith and

## Vernon Wins 6-2 As Gordon Blanks Elks For 108 Minutes In Two Games

VERNON — Led by a nifty four-goal effort by veteran defenceman Willie Schmidt, Vernon Canadians bounced back from Friday's 1-0 shutout by Kamloops to blast the Elks 6-2 in the return go here Saturday night.

The decision again deadlocks the two teams in the seesaw battle for second place in the OSAHL.

Schmidt also picked up an assist for a big five-point evening, while Don Jakes and Sherman Blair added the balance of the Canucks' goals.

Little Hal Gordon had a shut-out brewing until 10:55 of the final, when Joe Connors beat him from close in to make it 6-1. Bill Hryciuk added the final goal on a double relay from Taggart and Lachlun.

Gordon ran up a scoreless string of more than 108 minutes on the Elks in the two games, blanking them from 2:20 of the first period in Friday's tilt.

Canadians outshot the visitors 36-25 in a fast, clean game that saw only one minor penalty dished out by Bill Neilson, that one to Vernon's Johnny Harms in the second period.

First Period — 1, Vernon, Schmidt (Agar) 5:50; 2, Vernon, Jakes (Steyk) 14:32. Penalties — (nil).

Second Period — 3, Vernon, Schmidt (Davison) 9:30. Penalties — Harms.

Third Period — 4, Vernon, Schmidt (Roche, Agar) 3:57; 5, Vernon, Schmidt (Roche) 6:00; 6, Vernon, Blair (Schmidt, Agar) 10:38; 7, Kamloops, Connors (unassisted) 10:55; 8, Kamloops, Hryciuk (Lachlun, Taggart) 15:05. Penalties — (nil).

Dave Henderson, also making the trip were Jim Thompson, Murray Boas and Jim Johnston. The next tourney will be held in Oliver in January with Similkameen, South Okanagan, Princeton and Penticton again taking part. After a third tournament in Penticton a winner will be declared to represent the South Okanagan in the valley finals in Kelowna.

## High School Rock Heavers Get Away To "Flying Start"

The Penticton High School Curling Club got away to a flying start Thursday and Friday of last week. Fourteen rinks have been organized and two more will be added in the near future.

The Thursday and Friday games were thoroughly enjoyed by all who participated. For many students it was their first experience in curling and despite stiff muscles only expressions of enthusiasm and liking for the game were heard. The draw starts this

week as the Thursday and Friday games were only to get the teams organized.

The teams seem evenly matched as there were quite a few tied games and many close ones. All the students did very well on the first games, and by the end of the season there should be a good number of excellent players.

Penticton's new curling arena on south Main street will be officially opened this Wednesday with a get-together of representatives of the province's top curling clubs. Opening day ceremonies start in the afternoon and continue into the evening.

## No Election At

**Vernon This Year**

VERNON — There will be no civic election here this year. Aldermen returned to office by acclamation are G. H. Melvin, F. V. Hardwood and Harold Down. Newcomer to the school board is Ross Shaler. Returned unopposed was board chairman J. R. Kidston.

Arthritis is known to have affected the ancients — animal and human. A complete cure has not yet been discovered but there are many methods of treating its various forms and alleviating the ailment.

## Pope

(Continued from Page One)

throughout the world. Despite his age and the weakening effects of a stomach ailment which has plagued him for more than 10 months, the Pope staged an amazing rally from a state of collapse, recovering all the facilities lost during four desperate hours.

More than a week ago the Pope passed what Vatican sources called a "minor crisis".

He appeared tired and weak when he returned to the Vatican. He made his last public appearance at a three-minute audience for Italian street workers massed in St. Peter's Square on Sunday, November 28.

Since then he has been resting at his physician's orders. The Pontiff spent part of each day for the past several days in bed. When out of bed he rested in a deep armchair sent him by Catholics in Buffalo, N.Y.

Vatican sources said that the Pope's worsened condition was caused by hiccups disturbing his efforts to sleep. This added to his weakness and weariness.

The Pontiff had shown a slight improvement earlier last week, but a restless night Wednesday caused his doctors to report a worsening condition early Thursday.

There was a brief recurrence of the Pontiff's illness last September and he was forced to limit his activities.

Germán Jesuit Father Robert Leiber has been saying mass each morning for the Pope in a chapel near the Pontiff's apartment.

For the first time in his 16-year reign the Pope has failed to attend any of the current pre-Christmas spiritual exercises in the Vatican.

This is the third winter that the Pope has suffered a serious illness. The first, in the winter of 1952-53 was an attack of bronchial pneumonia. Then last winter he suffered an attack of gastritis in January and February. Each illness has sapped his strength, but the Pontiff, anxious to carry on his heavy church duties, has refused to obey doctors' orders to limit his activities.

As Pope, Plus XII has modernized the Vatican. He followed a schedule which would have fatigued even strong men.

He slept only about four hours and arose at 6:30 a.m., had a cold bath, and until he was 71 took sitting up exercises. Then he said mass and had a light breakfast after which at 8:59 he was ready for the first of the many audiences — private and public he held during the day.

His work day continued until about 2 a.m. with only brief pauses for rest and meals.

Even when his health began to fall he kept his rigorous schedule for years.

The Pope did all he could to prevent the start of World War II. It was a great disappointment when after he pleaded "In the name of God" that the governments of Germany and Poland do nothing to start a war the Nazis invaded Poland.

He refused to leave Rome during the war and said he would rather "die in a concentration camp".

The Communist encroachment

lic is freely invited to view all

the proceedings. There is room

at the arena to accommodate a

large crowd, and one of the

principal objects of the whole

thing is to acquaint Penticton-

ites with the sport of curling.

## Referendum

(Continued from Page One)

There are several advantages in the referendum method, the first of which permit the sale of debentures from time to time as the funds are required. In this way there are no interest charges on money that is lying idle. Under the by-law method all the debentures for the particular project are sold at one time even though the funds are not required until some future time.

A second advantage is that a by-law authorizes the sale of a certain specified number of debentures, whereas a referendum authorizes the sale of debentures up to but not exceeding a certain amount. In other words, under the referendum method it is found that all the funds will not be required, it is not necessary to sell the balance of the debentures.

Your board of school trustees investigated the merit of place systems before deciding to place before the taxpayers a referendum to provide the capital necessary to construct a new elementary school on Power street. In view of the possible savings in cost the referendum method was chosen.

In the referendum to be voted on, on December 11, it will be noted that interest not exceeding five percent is mentioned, school debentures are now being sold with interest coupons at rates of 3 1/2 percent and it is probable that these debentures will be the same. However, no one can accurately forecast the investment market six months hence, and for this reason the Department of Finance of the provincial government, who act as agents for your school board, recommend the interest rate to be shown in the referendum as "not to exceed 5 percent."

One further point to be noted is that the funds authorized by the referendum may only be used for the purpose mentioned therein, namely for the constructing and equipping of a new elementary school on Power street.

Canada's electrical manufacturing industry has an annual payroll of around \$250,600,000.

### Naramata Players This Week Produce Locally Written Play "Money To Burn"

**SPARKS FLY** as Mrs. Hubbel (Val Morche) and Miss Clifton-Brown (Florence Walsh) cross swords in the Naramata Players original production of Money To Burn. The curtain goes up this Thursday evening and another performance is staged for Saturday night with capacity audiences expected both nights for this light-hearted comedy from the 1920's.

**NARAMATA** — A comedy, which moves with the speed of a farce, "Money to Burn," a combination of clever character drawing and humorous situation, is in the final stages of rehearsal for presentation by the Naramata Players on Thursday and Saturday evenings in the Community Hall.

The plot for the play, written by Perry Darling, of Naramata, and who is also cast in the leading male role of the peppery old Major Clifton-Brown, centres around the home of the Major and his domineering sister, played by Florrie Walsh.

The Major is standing for parliament and though he isn't very certain what his platform is, one thing is certain — he is "Anti just about anything." This includes allowing his sister to extend the rose garden and helping the rector's fund for repairs to the church roof. On the positive side he is enthusiastically pursuing several legal suits against his eccentric neighbor, Mrs. Hubbel, who is to be played by Val Morche.

This is the situation at the beginning of the play but things soon start moving as Horace, the Major's teen-age nephew, with his imaginary "Red Hand Gang", enters the picture. The eccentric neighbor, Mrs. Hubbel, attacks the Major with her own brand of "Yoga" and his sister simply goes ahead with any plans of her own.

Things are greatly complicated by Betty, the rector's daughter (and coordinator of the Red Hand Gang) and Susan, a sinister maid, with their ideas, and the latter's habit of eavesdropping. Stuart Berry is cast in the part of the rector; Nadine Oliver, his daughter; Susan is played by Vi. Grant; and the mysterious Helen by Kay Couston. John Darling plays the part of Horace, the Major's plotting nephew. Gottfried Morche is directing this delightful comedy.

At last week's rehearsal, the first in costume, the show was frequently held up by the players' laughter at their own clothing, which is, of course of the 1925-26 era. All garments worn in the "flapper-age" performance are really genuine pieces, and as there are many changes, the feminine members of the audiences may look forward to something of a fashion parade. The gentlemen, however, are not neglected in this direction, for the Major Clifton-Brown, himself, has no less than four changes — each one the height of fashion (thirty years ago).

Collecting the costumes was rather a difficult task for the drama club. There seem to be more clothes of the Victorian days lying around in attics than of the 1920's. This does not apply to the shoes, which have been loaned in quantity in every size and color, their long narrow toes, and complicated straps making them appear several sizes larger than they really are, and thoroughly amusing.

The Naramata Players are presenting two performances of the locally written play, Thursday and Saturday evenings in the community hall, commencing at 8 p.m. In Penticton tickets may be obtained at Shaw's Candy Store, or from any member of the Naramata Players. Anyone wishing to attend and who has no transportation may phone Mrs. Morche at 8-2330.

Now I want to tell you about the New Year's dance and party being organized by the Promoters. This will be held in the Kaledon Community Hall, on December 31. Dancing will start at 8 o'clock in the evening, and continue until 2 o'clock, we think. Tickets may be obtained either at the Monday or Saturday night classes, or phone Elsie Barritt at 5673 for further information.

Price, \$1.25 each, and a lovely buffet supper will be served. Many visitors from other cities are expected. Les Boyer and several guest callers will take part. We are anxious to know, as soon as possible, how many can attend so that arrangements for catering may be completed.

People over 50 are especially in need of interesting recreation, since they are not able to carry on the more strenuous activities. Satisfying hobbies should be adopted in preparation for retirement from business.

By H. G. A.

A short time ago I mentioned the fact that the Peach City Promenaders were going to hold an "at home" party on November 27 and we expected some out-of-town visitors. These expectations were more than realized when we counted heads last Saturday evening. There were visitors from Winfield, Kelowna, Rutland, Summerland, Princeton, Oliver, Osoyoos, Okanagan Falls, Omak and Beaverdell.

Gladys Coulter and her committee arranged a very appetizing after-dance buffet supper, and all of the 115 dancers intimated that a very enjoyable time was had by all. An interesting sidelight of this Jamboree is the fact that dancers from the beginners' classes, both from Summerland and Penticton, were able to take full part in the dances, having progressed sufficiently in their classes to do the curls and take part in the round dances. They will be ready to take part in next summer's Peach Festival.

The excellent performances which the public has come to expect of this group are due to a great extent to their gifted conductor, whose talent and musical experience have enriched the cultural life of Oliver and its surroundings. Mr. Ball received his ARC in Toronto in 1938 where he studied piano under Reginald Gorden and choral singing and conducting under Dr. J. E. Ronan.

At the age of sixteen he was a guest artist at an all-Chopin concert in Mussey Hall. Later he became choir master at Christ the King Cathedral in Sudbury, Ontario. He at present occupies the same position in the Roman Catholic Church in Oliver.

The South Okanagan Choral Society was founded in Oliver in 1947 by Mr. Ball and now consists of a chorus of 35 mixed voices with an extensive repertoire of the best in choral music of all periods. It is of particular interest that many of the compositions and most of the arrangements are the work of the conductor himself.

Although strictly amateur, this hard working group — with its export leader — has earned an enviable reputation, and audiences may well expect the usual high standard in this their eighth annual Christmas concert.

#### Parks Board NOTICE OF TENDER

Sealed tenders will be received until 12.00 noon December 13, 1954, to operate the Boat and Food Concessions at Skaha Lake Beach. Particulars can be obtained from the undersigned.

The lowest or any tender will not necessarily be accepted.

Penticton Board of Parks Commissioners, H. WORSNOP, Secretary, c/o Penticton Memorial Arena.

57-59

**THE FLAPPER AGE** comes to life again and Money To Burn will have the added interest of being something of a fashion show as the ladies of the cast make their many changes of costume — all perfectly authentic outfits. And the old major himself displays the height of fashion 30 years ago in four "smashing" ensembles. Shown above is young Horace Clifton-Brown (John Darling) and stylish Helen Copperworth (Kay Couston).

#### Legion Stag Party In Aid Of Kiddies' Christmas Party

Good talent from Vancouver will be featured at the Legion stag smoker to be held at the Legion Hall, Wednesday at 8 p.m. Master of ceremonies will be A. D. C. Washington and all proceeds go in aid of the Legion's Christmas party for children.

The Christmas party takes place December 19 at 2 p.m., and children of Legion members up to 10 years of age and their parents are invited to attend.

There will be entertainment, gifts, candy, singing of Christmas carols and a real Santa Claus in attendance.

Canada's current transactions in goods and services with other countries resulted in a deficit of \$467,000,000 in 1953. This compares with a \$157,000,000 surplus in 1952.

#### Penticton Art Club May Acquire Club Room In Near Future

Latest reports on the activity of the Penticton Art Club include word that the group is giving serious thought to the idea of getting permanent club rooms in the near future. The problem is being looked into by the new executive.

The Art Club has been asked to supply 12 pictures for loan to the new Kelowna Library building when it is completed early in the new year.

The last club meeting, held here last month, held its annual election of officers. The following were chosen: president, Mrs. Margaret Weaver; vice-president, Mrs. E. Clarke; secretary, Miss Vera Davies; treasurer, Mr. Don Pollock; social convener, Mrs. B. Jackson.

At the same meeting, Mrs. Flora Barr showed some extremely interesting slides taken on her recent trip to Scotland and England. The meeting also started to formulate plans for the winter season; it was decided to hold sketching sessions at each meeting and show an art film each month. The meeting was held at the home of Mrs. Flora Barr.

#### Penticton Boy Wins Reserve Award At Kamloops Stock Show

**KAMLOOPS, (BUP)** — The grand champion steer award of the Kamloops Christmas fat stock show was won by Jean Pringle of Westwood, with the entry of Denis Atkinson of Penticton taking the reserve award.

The Westwood steer, champion of the boys' and girls' class, was purchased by a chain store for \$145 a pound, for a total of \$1093.65.

The Penticton entry also sold to a chain store for 90 cents a pound.

The grand champion lamb owned by R. R. Talbot, of Westwood, was purchased by Canada Packers for 80 cents a pound and the reserve grand champion contributed by Fatsy Davis of Westwood realized 70 cents a pound. It also was bought by Canada Packers.

Alex Gardner of Penticton was the judge of lambs and beef judge was Grant MacEwan of Calgary.

Good red blood is maintained by obtaining plenty of iron through foods that are good sources of this mineral: beef, pork liver, kidney, dried beans and green vegetables.

To help avoid colds, keep the feet warm and dry, get plenty of rest, eat a balanced diet, shun people who have colds and who cough and sneeze without covering nose and mouth.

Proof against RAIN and REVELLERS

ANYONE who ever visited London knows Piccadilly Circus, and the famous statue of Eros, God of Love, poised above its central fountain. This statue has taken a lot of punishment during the past sixty years, from both practical jokers and London smog. But because the sculptor cast it in aluminum — it was the first large statue to be cast in the "new metal" — it has come safely through the years. When it was cleaned up for the Coronation, it gleamed as freshly as ever. The enduring beauty of aluminum has meanwhile made it a favorite of modern architects, furniture designers, decorators too. Aluminum Company of Canada, Ltd. (Alcan).

Canadian highways measured 512,795 miles at the end of 1952.

## Invite Young People To Join Junior SPCA

The Society for the Prevention of Cruelty to Animals is planning to form a junior branch in this centre and are inviting young people, from the ages of 8 to 16 years to attend the organizational meeting on Wednesday evening at 8 p.m. in the Red Cross Centre.

There will be studies on various animals and the care and treatment of them. The society plans to present film showings throughout the year and to make the meetings interesting as well as educational.

The branch is concerned with the growing carelessness that seems to be associated with the animals of this city and feel con-

fident that a Junior SPCA branch will solve many problems as the members are enlightened with animal care.

It is also the desire of the senior group that as many parents as possible attend the forthcoming organization meeting on Wednesday.

VANCOUVER — (BUP) — A two-alarm fire gutted the rock gas company building and an adjoining paint shop on Granville street Sunday. Two men were injured, and damage was estimated at \$40,000.

## Funeral Tomorrow For Mrs. Hilda Edmonds

Funeral services will be held tomorrow at 10 a.m. for Mrs. Hilda Mary Edmonds who passed away Saturday in Penticton Hospital, age 41 years.

She is survived by her husband, two daughters, Carol and Linda, a sister, Mrs. Eric Pearson of Penticton.

Prayers will be said this evening at Penticton Funeral Chapel at 8 p.m.

Funeral services will be held tomorrow morning from St. Ann's Roman Catholic church, at 10 a.m. Reverend Father Jackson celebrant.

Penticton Funeral Chapel in charge of arrangements, R. J. Pollock and J. V. Carberry directors.
